## CONDITIONS OF SALE

### Bidding

1. The placing of a bid will constitute acceptance of the conditions of sale.
2. All bids are per lot as numbered in the catalog. The right is reserved to withdraw any lot or lots and to group two or more lots.
3. Lots are sold to the highest bidder at one advance over the second highest bid. The auctioneer shall regulate the bidding and in the event of any dispute the auctioneer's decision shall be final.
4. The auctioneer shall not be liable for errors and omissions in executing instructions to bid.
5. Unlimited bids and bids believed not to be made in good faith will be respectfully declined.
6. Minimum bid on any lot is \$50.00.
7. All lots will be sold at the price for which they are knocked down by the auctioneer, plus a commission of 15%.

### Payment of Purchases

8. Successful bidders will be notified of lots purchased and must remit before lots are delivered. Persons who are known to us may, at our option, have purchases forwarded for immediate payment.
9. Terms are immediate payment in U.S. funds on receipt of the invoice. Payment by credit card will be subject to a 2% service charge.
10. The mode of shipment shall be at our option unless we are given specific instructions. A minimum charge of \$1.50 will be made in addition to postage, insurance, and handling.
11. Successful bidders agree to pay for lots as specified above and no credit is extended. For overdue accounts a late charge of 2% per month (minimum \$30.00) will be charged. Accounts are considered overdue after (30) days.

### Quality

12. Any lot, the description of which is incorrect, is returnable within ten (10) days of receipt and must be received within four weeks from the date of the auction. All disputed lots must be returned intact in the condition received. The following lots may not be returned without prior approval: lots containing ten or more stamps; lots from buyers who have had the opportunity to examine them before the sale; lots described as having defects or faults may not be returned because of faults. No illustrated lot may be returned because of centering, margins, or other factors shown in the illustrations.

### Authenticity

13. All lots are sold as genuine, but should any lot be proved otherwise by written opinion of any responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided we are notified in writing within 14 days from date of sale that an opinion is being sought. If claim is not made within this period, no lots are returnable for any reason at any time. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$100.00. In the event an item is proved "not as described" it is returnable for a full refund. Any lot which has a certificate dated within the last five years is sold in accordance with the certificate and is not returnable for any reason including an opinion obtained in a new certificate after the sale.

To Our Valued Customers,

It is with pleasure that we send to you our 8th Showcase Sale Catalog to be held Thursday, December 7, 2017.

While focus of this auction is numismatic material, future showcase sales may vary in topic. The sale will begin at Dutch Country Auctions/The Stamp Center at 4 PM. Bids may be placed in person, or via mail, e-mail, phone or fax, being sure to indicate Showcase Sale #8 Bids.

Bids may also be placed online via our website at [www.dutchcountryauctions.com](http://www.dutchcountryauctions.com). You will be directed to our link at Stamp Auction Network. Please note that you will have to register at Stamp Auction Network in order to bid online; however your bidder number with Dutch Country Auctions/The Stamp Center will not change. Bids can be placed up to 60 minutes before the start of the session.

If you have any questions or would like more information on future auctions or how to register at Stamp Auction Network, please feel free to contact us...We are at your service!

203	1885-CC F+ by wear, but dipped to appear better. This issue is one of the rarest of this series in circulated condition (Q. David Bowers says THE rarest) since virtually the entire mintage (only 228,000 coins) went into storage. Rare in its day, many were released by the Treasury after 1955, but this issue remains relatively scarce.	EST 400-450 SE
204	1889-CC F+ by wear, perhaps better; original lt. grey color. There are a few fine rev scrs that natural wear has blended into the coin nicely. One of the prohibitively rare issues uncirculated, even nice AU's are 5-figure coins. After closing in 1885, the Carson City mint reopened in 1889 and commenced coining in October resulting in the low mintage for that year (350,000). Most of these must have been melted in later years - even worn coins are scarce, second only to the 93-S in the Morgan series.	EST P 625-700 SE

LOT	U.S. CURRENCY	VALUE	
304	1890 \$2 Treasury Note F-353 S/N A2227602* VF or nearly so. Lovely example of the "ornate" back variety issued in 1890 in accordance with the Sherman Silver Purchase Act passed that year to appease western silver producers. The Treasury paid for the silver it was required to purchase under the Act with these notes and the subsequent 1891 issue. President Grover Cleveland repealed the Sherman Silver Purchase Act in 1893 severely reducing silver dollar production for the next three years. The 1890 Ornate back notes are far scarcer than the 1891 issues. Seldom offered and worthy of a generous bid.	EST P 1,600-2,200	SE
305	1891 \$1 Silver Cert F-223 S/N E44627444 previously PCGS VF20, water damage caused slight fading of the seal on the face. Still acceptable. (Holder opened to allow note to dry.)	EST P 200-250	SE
306	1901 \$10 Legal Tender "Bison" F-122 S/N E39176144 VF. Attractive w/ nice centering and sharp corners. (XF bid = \$1,775!)	EST P 1,000-1,250	SE
307	1914 \$5 and \$20 FRNs both previously graded by PCGS VF25 Apparent and F15. Holders open to allow notes to dry. Both show slight rippling but still attractive.	EST 85-110	SE

## NOTES

(1) Minor separations in multiples and sheets are to be expected in older issues; a few open parts do not adversely affect value and do not constitute reason for return.

(2) Gum line and lt. gum creases are normal characteristics of U.S. flat plate issues; these will be described only when unusually pronounced.
